

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

Claim 1 (Previously presented): A hearing device comprising a housing adapted for placement behind the ear, the housing having a base part and a plurality of modules being releasably mounted to said base part via a hinge part, one of said plurality of modules being a wireless signal transmission module and another one of said plurality of modules being a battery compartment module.

Claim 2 (Canceled)

Claim 3 (Currently amended): The device of claim 1, wherein applying said battery compartment module having a battery compartment to said base part establishes electric feed to said base part.

Claims 4–9 (Canceled)

Claim 10 (Previously presented): The device of claim 1, wherein each of said plurality of modules is adapted for snap-locking.
